yes

other

- (1) the retailer provides a copy of the retailer's registration to collect sales and use tax in this state to the marketplace provider before the marketplace provider facilitates a sale; or (2) upon inquiry by the marketplace provider or its agent, the commissioner discloses that the retailer is registered to collect sales and use taxes in this state.
- (b) Nothing in this subdivision shall be construed to interfere with the ability of a marketplace provider and a retailer to enter into an agreement regarding fulfillment of the requirements of this chapter.
- (c) If a marketplace provider is the responsible party for collecting and remitting the sales and use tax under paragraph (a) of this subdivision, the marketplace provider shall provide to the retailer such information as is necessary for the retailer to identify the transactions on which the marketplace provider is reporting to enable the retailer to accurately and timely meet it's obligations for reporting and remitting for non facilitated sales
- (d) If a retailer is the responsible party for collecting and remitting the sales and use tax under paragraph (a) of this subdivision, the marketplace provider shall provide to the retailer such information as is necessary on facilitated sales to enable the retailer to verify the correct amount of tax was collected for each applicable taxing jurisdiction and to accurately and timely meet it's obligations for reporting and remitting sales and use taxes.

Do you support the additional underlined language: (A) A marketplace provider shall collect state and local sales and use tax on all sales made through the marketplace to purchasers in this state whether or not the marketplace seller:     (1) has or is required to have a sales and use tax permit, or     (2) would have been required to collect and remit state and local sales and use	se																		
tax had the sale not been made through the marketplace provider.  (B) The marketplace provider shall provide to the marketplace seller such																			
information as necessary for the retailer to identify the transactions on which	<u>1</u>																		
the marketplace provider is reporting to enable the retailer to accurately and timely meet it's obligations for reporting and remitting for non facilitated																			
sales.
